SFLS LAUNCHES \$600K UPPER ROOM CAMPAIGN IN HONOR OF STEVE AND VICKI JASTRAM **NEW**

Steve and Vicki Jastram with their children and grandchildren after chapel on January 22.

Thanks to the generosity of Architecture Incorporated, Hoogendoorn Construction, Haugan Heating and Air Conditioning, and countless other associates and friends, Sioux Falls Lutheran School is well on its way to raising \$600K to build and fully finish the Upper Room—a second story Conference Room/Learning Center, equipped with cutting-edge technology and windows that overlook SFLS’s outdoor athletic fields—in honor of Steve and Vicki Jastram.

The sub campaign, which is part of the larger *Imagine Immeasurably More* capital campaign, was ignited by the leadership team at Architecture Inc., who approached SFLS with a desire to honor Steve and Vicki’s exceptional contributions to SFLS.

Steve, as a leader at Architecture Incorporated with decades of experience, has designed countless educational spaces that inspire learning, worship, and community. He has served as the principal architect

for many SFLS building projects since the early 1980s. His wife, Vicki, is known for her selfless service, supporting her family and community with love and dedication, including her role at Our Redeemer Lutheran Church, her work with the Lutheran Women's Missionary League, her 25-year career at Eye-Site, and as a caregiver to her family. Over the years she has also served SFLS in countless behind-the-scenes ways.

Architecture Incorporated's lead gift of \$100K quickly inspired Hoogendoorn Construction to contribute \$90K to the project and Haugan Heating and Air Conditioning to add another \$45K. This generosity has set SFLS on the path to raise \$600K to complete the Upper Room and address critical needs, including an elevator, carpeting, railings, and other requirements necessary to obtain occupancy approval from the City of Sioux Falls. At the time of this publication, over \$360,000 in cash and pledges have been raised by these lead donors and countless other colleagues, friends, and family.

"This space will be a place of faith, fellowship, and inspiration for generations to come," SFLS Executive Director, Tia Esser, said. "For Steve, the design highlights his favorite architectural feature—a cantilever—a first for him in a school setting. This beautiful space will be a personal tribute to his vision and to the Jastrams' service to our school."

Plans for the Upper Room were unveiled to the Jastrams during middle and high school chapel at SFLS on Wednesday, January 22, with roughly 100 family and friends in attendance. 2025-26 RE-ENROLLMENT UPDATE

As families with children enrolled at SFLS, you receive the highest enrollment priority for the 2025-26 school year. **[In order to ensure that we have space to serve your child during the 2025-26 school year, please complete re-enrollment through FACTS no later than Sunday, January 26.](#)**

Re-enrollment instructions were sent via email on January 6. Please check your inbox (and junk mail box if you don't see an email in your inbox) for instructions. We will begin processing applications for new students during the week of January 27.

If you have a child who is not currently enrolled or is in our wait pool for enrollment, you'll need to complete an [admissions application](#) for the 2025-26 school year.

To help your budget planning for the year ahead, [preschool](#) and [K-12](#) tuition rates for the 2025-26 school year are now available on our website. In order to maintain and enhance the high-quality experience your children deserve, we require an application fee and enrollment/re-enrollment fee each year. We understand that this may prompt questions, so we'd like to share four reasons why this is an important part of our school's annual process.

1. Securing Your Child's Spot:

Each school year, we work diligently to ensure that our classrooms are properly staffed, our programs are well-resourced, and our facilities are ready to serve. Re-enrollment fees help us project accurate enrollment numbers so we can make informed decisions about class sizes, teacher assignments, and materials, ensuring every student gets the attention they need.

2. Supporting School Operations:

These fees cover essential administrative costs related to the enrollment process, including recordkeeping, processing applications, and maintaining up-to-date technology and software to serve our families efficiently. These steps help us to be proactive in providing a seamless educational experience.

3. Commitment to Growth:

Enrollment fees are an important part of our financial planning. They allow us to invest in new programs, hire and retain excellent faculty, and improve facilities, all while keeping tuition as affordable as possible. The early commitment through this fee strengthens our ability to plan strategically for the upcoming year.

4. Building a Sustainable Future:

Your support through the enrollment process helps ensure that Sioux Falls Lutheran School remains a vibrant place for your children, and future generations, to grow in faith and knowledge. It's an investment not only in your child's education but also in the continued success of our school community.

Application fees are \$25. Enrollment fees for new students (including new students who belong to current families) is \$400 per student; \$200 of that \$400 fee serves as a tuition deposit for the 2025-26 school year. Returning student re-enrollment fees are \$225 per student. We truly value your partnership in this mission and appreciate your understanding of the purpose behind these fees. Our goal is to provide your family with the best educational experience possible, while being good stewards of our resources.

Our deepest thanks for entrusting us with the care and education of your children. It is a joy and honor to serve your family at SFLS, and we encourage you to contact our admissions office with any questions. If you need any assistance logging into your family portal, please feel free to contact FACTS support at 866-441-4637.

Blessings,

Megan Baedke, Director of Community Engagement | Preschool & Kindergarten Admissions

Vania Asmus, Admissions & Marketing Coordinator | 1st-12th Grade Admissions
